Hi Sarah,

Just wanted to confirm that Miguel completed delivery on Load WFL-847-2026 this afternoon.

Delivery details:

- Arrived at Southwest Distribution: 8:47 AM MST
- Unloading complete: 12:45 PM MST
- Departed facility: 1:17 PM MST
- All 847 pieces delivered in good condition
- POD signed by Robert Martinez

Heads up - we ran into some detention at the consignee. They were short-staffed and only had 2 forklift guys working. Miguel was there for about 4.5 hours total. I know the rate con shows 2 hours free time so we'll be billing for the overage.

Maria will send over the invoice and POD tomorrow.

Let me know if you need anything else.

Thanks,

David Torres
