Hi Jennifer,

Hope you're doing well. Please find attached our invoice for the container move completed this week:

Invoice #: WFL-INV-2026-0847

PO #: PHX-WH-4521

Container: MSCU7842651

Route: LA Port (Terminal Island) → Phoenix, AZ

Pickup: 01/27/2026

Delivery: 01/28/2026

Charges:

- Freight (per lane contract): \$2,150.00
- Fuel Surcharge (10%): \$215.00
- Detention at delivery (4.5 hrs): \$387.50

Total: \$2,752.50

Regarding the detention - the Phoenix warehouse was short-staffed and only had 2 forklift operators available. Our driver was on-site for 4.5 hours total vs. the standard 2-hour free time. I've attached the POD showing the timestamps. Happy to send the gate log and ELD data if you need it for your records.

Let me know if you have any questions. Payment due Net 30 per our agreement.

Thanks for the business - looking forward to the next one!

Best,
